

Warm up on a cold January night in the Rainforest!

You're Invited!

Volunteer Appreciation Night and "Partners of the Year" Recognition Ceremony

Sunday, January 29, 2012 / 6:30 to 8:30 pm

The Rainforest at the Cleveland Metroparks Zoo

3900 Wildlife Way, Cleveland, 44109

As a valued partner in urban mission and ministry, you're invited to this free event that will be a warm, tropical substitute to a typical winter's night in Northeast Ohio -- thanks to a few hours inside the Rainforest!

We'll kick off the event with an appetizer and dessert reception (note: no dinner will be served). Then, we'll recognize and give God thanks for some of our most dynamic volunteers, partner churches and organizations.

The evening will end with a self-guided exploration of the Rainforest, where snow, sleet and ice are forever banished! The facility showcases more than 6,000 plants and 600 animals from the jungles of Asia, Africa and the Americas.

Volunteers may register with one guest. Advance RSVPs are required. This event is expected to close out, so register early! And, dress for warm weather! To RSVP, contact Lesa at (216) 281-4673 or lesa@buildinghopeinthecity.org by January 23.
