Through the ministries and partners of BHITC, more than 250 area urban children and youth receive weekly tutoring or are refugees and immigrants connected to one of our local mission efforts.

This summer, we're challenging **YOU** to help us provide each one of them with **a new backpack filled with needed school supplies, and a new pair of shoes.**

Your family plus 1

This summer, as you prepare to send your children back to school, we're challenging you to add one more student to the shopping list or let BHITC do the shopping by underwriting the \$30 cost for one new backpack and set of school supplies.

Through your generosity, children and refugees in the city will head back to school with all they need!
