*Advance the good of the city.  
Magnify the mission of Jesus.  
Unleash the capability of underestimated people.*

Step into a night of joy and reflection as we gather to honor the remarkable legacy of 20 years of Building Hope in the City. Since our inception out of Trinity Lutheran Church in 2003, BHITC has been steadfast in our God-given mission to foster flourishing in our city.

This splendid evening promises to be a celebration of God's unwavering grace that has guided us through two decades of transformation, compassion and spiritual growth. Join us to offer thanksgiving to God and honor esteemed members of the BHITC

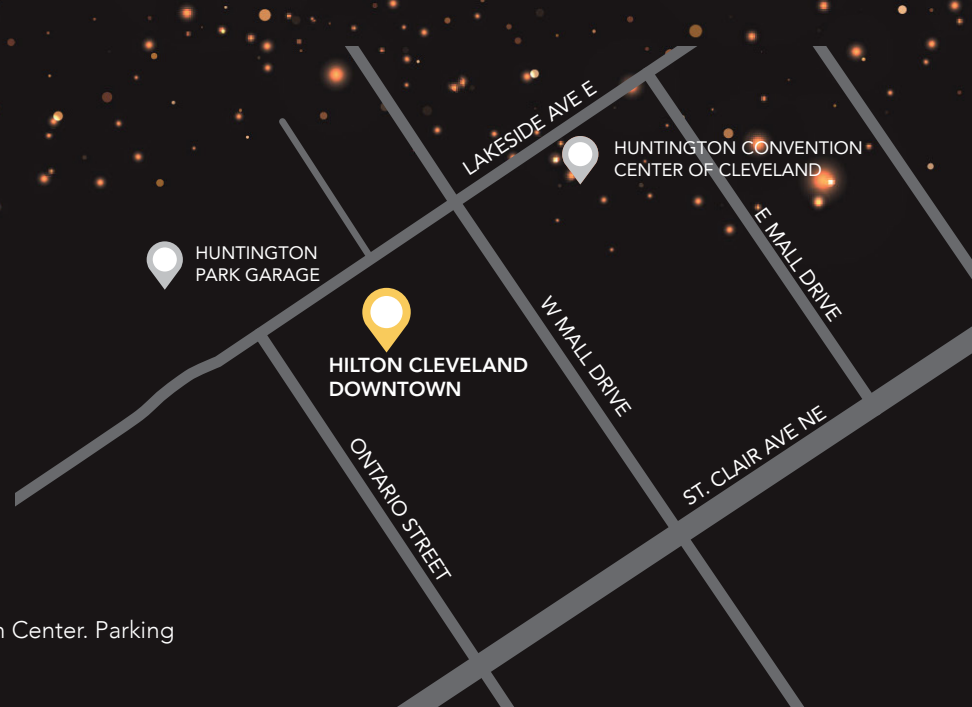

community. This gala is not only a celebration of our cherished history, but also a launchpad into future endeavors.

Your presence will make a meaningful difference as we continue to work towards building a city where hope, compassion, and community thrive. Come along as we celebrate the past, embrace the present, and envision a future filled with hope and transformation.

We look forward to sharing this unforgettable evening with you!
